Discipline

Discipline Philosophy of Sunrise Academy

Discipline for all students at Sunrise Academy shall be designed to promote behavioral changes enabling students to function successfully.

The Advisory Board is committed to a positive, respectful, inclusive climate in the school that promotes academic achievement, ensures safe and drug-free learning communities, provides positive behavior supports, ensures equitable outcomes in discipline, and maximizes the time students spend in school.

Corporal (physical) punishment which willfully intends to inflict pain on a student is prohibited. This prohibition includes strenuous exercises that cause physical pain when exercise is used as punishment. Teaching methods to help students control movement or action are not considered punishment.

In response to extreme and urgent circumstances, the use of reasonable physical force or restraint by school personnel to protect students or staff, put down disturbances, protect property or to help students get control of themselves is permitted. When reasonable force is used, it must be reported immediately to the Executive Director, Assistant Principal, Director of Operations, or their designee, who in turn must report it to the parent/guardian.

Due process is ensured to students as part of a suspension informal meeting procedure, expulsion procedure, and for alcohol and drug violations.

Self-discipline is the ultimate goal. Discipline should be directed toward developing skills necessary for young people to:

1. solve problems successfully,
2. develop positive relationships with others,
3. become productive individuals,
4. recognize when their actions are interfering with the rights of others,
5. recognize their rights within the limits of society,
6. respect the property rights of others,
7. understand and appreciate other races and cultures,
8. develop a sense of responsibility for their actions and an awareness of probable consequences, and
9. succeed in school

DISCIPLINARY ACTION LEVELS

Most disciplinary problems can be resolved in the classroom by the teacher in accordance with good principles of learning, classroom rules, the school discipline plan, and classroom exclusions. The Student Conduct and School Discipline Plan describes the procedures followed by staff within the school.

Early contact with parents is a strategy for improving student learning and in preventing or resolving student discipline problems. School staff is encouraged to inform parents/guardians of problems with academic progress and persistent disruptive behavior and seek their help in working with the student to resolve these issues.

Administrative action will be taken if student behavior expectations are not met. Six levels of disciplinary action, ranging from least to most serious, are defined and specified for various kinds of misbehavior. Within each level, options for disciplinary action are defined. The responsibility of the administrator is to work within these parameters to apply effective correction action.

It is the administrator's/principal's responsibility to determine what constitutes "Minor/First" or "Serious/Repetitive" occurrence.

When there is repetition of misbehavior, even though it is not in the same category, the Head of School, Executive Director, Assistant Principal, or their designee may take more serious corrective action.

The use of the disciplinary action levels is intended to increase school-to-school consistency in identifying and handling problems.

Administrators are not bound to select the disciplinary level that teachers identify; in most cases there are ranges of discipline and an administrative judgment to be made as to whether the instance is "minor" or "serious" and/or "repetitive."

DISCIPLINARY ACTION LEVEL 1 CONFERENCES

Disciplinary Action:	Definition:
Conference with Student and/or Staff Member	A meeting with a student during which unacceptable student conduct is discussed and better ways of behaving are reviewed.
Conference with Parent/Guardian/Student	A meeting between staff, parent/guardian and, in some cases, the student, during which student achievement and unacceptable conduct are discussed, better ways of behaving are reviewed, and a plan for future behavior is outlined. A talk with parents/guardians may be by telephone if a meeting is not feasible.
Contact Parent/Guardian	Notification of the parent/guardian through a meeting, telephone call, or letter that a behavior problem exists and/or that some form of action has been taken.
Contract with Student	A written statement listing steps to be taken by the student to improve behavior, describing the support to be provided by school staff and/or parent/guardian, and a timeline for contract review.
Official Warning to Student	A verbal or written administrative notice to the student specifying the action to be taken if the same or similar misconduct is repeated within a stated period of time.
Other School-Authorized Actions	Other disciplinary actions which comply with School policies, administrative directives and the school discipline plan

Level 1 Conferences	Level 4 Expulsion/Delayed Expulsion/Reassignment/ Referral
Level 2 Interventions	Level 5 Mandatory Expulsion
Level 3 Suspension/Temporary Exclusion/Reassignment /Referral	Level 6 Mandatory one-year Expulsion (weapons/firearms)

**Suggested Procedures for Action Level I****Teacher/Staff Action upon Witnessing Misbehavior**

1. Inform student that the conduct is unacceptable and instruct him/her to cease misbehavior.
2. Non-certificated personnel should report misbehavior to an administrator.
3. Certificated personnel should select one or more of the disciplinary actions listed above.
4. Certificated personnel are not required to make an administrative referral/report unless:
 - a. the student fails/refuses to cease misbehavior, or
 - b. the misbehavior is repetitive.

Administrative Action upon Receiving a Report or Referral

1. Review the referral information and discuss the alleged misbehavior with student and the teacher.
2. Determine if evidence supports the charges.
3. If referral was initiated by non-certificated staff person and the charge(s) supported by evidence, the administrator should select one or more of the disciplinary actions listed above. No administrative record should be placed in student's file.
4. If referral results from a failure of student to cease misbehavior when instructed to do so, the administrator should determine what additional charge(s) are appropriate (e.g. insubordination, open defiance, willful disobedience) and complete the corresponding procedure. A record of all actions should be placed in student's file.
5. If referral results from repetitive misconduct, the administrator should select one or more of the disciplinary actions listed above. A record of all actions should be placed in student's file.
6. Inform staff member who initiated the referral of the administrative action taken.

DISCIPLINARY ACTION LEVEL 2 INTERVENTIONS

Disciplinary Action:	Definition:
Exclusion from School or Extracurricular Activities	Denying the student opportunity to participate in school or extracurricular activities for a specified period of time.
Class Exclusion	Denying the student the right to attend particular classes for a period of up to two (2) days. This is an administrative action not to be confused with the decision of the teacher to remove from class a student whose misbehavior requires immediate action
Alcohol/Drug Assessment	An evaluation for the student and parent(s)/guardian(s) to determine if the student has an alcohol/drug problem.
Minor Suspension	Action taken after a disciplinary conference which denies a misbehaving student the right to attend school, including all classes and school activities, for a period of up to one-day. It is preceded by a meeting or other contact with the parent/guardian.
Time-out System and Time-out Room (if available)	A program, coordinated by a certified staff member, teachers or Head of School, Executive Director, Director of Operations, Assistant Principal, or their designees, to assign a student to a different location in the classroom or the building.

Level 1 Conferences	Level 4 Expulsion/Delayed Expulsion/Reassignment/ Referral
Level 2 Interventions	Level 5 Mandatory Expulsion
Level 3 Suspension/Temporary Exclusion/Reassignment /Referral	Level 6 Mandatory one-year Expulsion (weapons/firearms)

After-School Detention	Requiring students to remain in school for up to one hour after the dismissal of school in the afternoon. Parents/Guardians will be notified prior to the detention. All detained students will be under the supervision of school personnel. Detention may be required by teachers or administrators.
Collection of Unauthorized Material	Head of School, Executive Director, Director of Operations, Assistant Principal, or their designees and teachers may collect materials which students are prohibited from possessing during the school day, for example, cellphones, cigarettes, radios, tape recorders, CD players, toys, and rubber bands. When unauthorized materials are collected, students should be informed that the impounded items may be claimed at a later time. Prohibited items should be held for the students' parents/guardians or the police as necessary.
Restitution	If student misbehavior results in damage, destruction or loss of property, the parents/guardians and student will be expected to pay the reasonable cost of repair or replacement. The Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee is responsible for determining the terms of repayment or replacement.
Other Interventions	Referral to Building Screening Committee, and referral to outside agency resources may be used at this level to respond to student misbehavior. For students with disabilities, a change of placement to a special school or other special education class/program may be considered

Suggested Procedures for Action Level 2

Teacher/Staff Action upon Witnessing Misbehavior

1. Inform student that the conduct is unacceptable and instruct him/her to cease misbehavior.
2. Using established building procedures, the staff member should refer/report and send the student to administrative personnel.
3. Complete referral form for transmittal to administrative personnel.
4. Be available for conference.

Administrative Action upon Receiving a Referral

1. Investigate incident and obtain evidence including written statement (referral) from staff member; may confer with staff member prior to the student returning to class.
2. If student is found in an investigation to have misbehaved (Level A), the administrator should select one or more of the disciplinary actions listed above.
3. The administrator should complete any procedures associated with the disciplinary action selected. Methods different from those tried earlier should be used.
4. Inform the student of the disciplinary action to be taken and any conditions which the student must meet in conjunction with the disciplinary action imposed.
5. Notify the parent/guardian and teacher of the action taken.
6. A summary of the incident and action taken should be placed in the student's file and any required school report(s) of incident and action should be compiled.

ALCOHOL & OTHER DRUG-RELATED ACTIVITY

Possession, selling, drug or alcohol-impaired learning, or use of alcohol, drugs or facsimiles is not tolerated in the schools, on school grounds, at school activities by students, staff or other persons. Additionally, this rule applies to students during school hours regardless of location.

Definitions

- Drug: includes all mood-altering substances, or facsimiles thereof, including alcohol, which have not been medically prescribed for the student.
- Drug-impaired learning: the degradation of student learning, participation or behavior which is caused by the presence of drugs or alcohol or their residuals in the body.
- Drug-related activity: includes but is not limited to use, transfer, sale or possession of drugs, including alcohol, or drug paraphernalia, drug-impaired learning, drug-influenced behavior, and any act assisting or promoting such activity. Assisting and promoting includes being where drugs, including alcohol, are being used, transferred, sold or possessed; or engaging in any conduct that aids or facilitates drug-related activity.

Initial Procedures when Suspected Violations Occur:

The school has a system of rules and consequences for drug-related activity which applies to students at all grade levels in all schools. Families are to be kept informed and involved in measures to intervene in student involvement with alcohol and other drugs.

1. When a student's conduct may involve drug-related activity, the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee shall:
 - Ensure there is a thorough investigation.
 - Conduct an informal meeting with the student to inform the student of the suspected drug-related activity in a language the student can understand, and give the student the opportunity to explain his/her side of the story.
2. If the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee determines that the student has violated the school's standards of conduct

Level 1 Conferences	Level 4 Expulsion/Delayed Expulsion/Reassignment/ Referral
Level 2 Interventions	Level 5 Mandatory Expulsion
Level 3 Suspension/Temporary Exclusion/Reassignment /Referral	Level 6 Mandatory one-year Expulsion (weapons/firearms)

against drug-related activity, the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee:

- Shall make a good faith effort to notify the parent/guardian and/or advocate by phone and shall also notify the parent/guardian in writing.
- Shall not suspend the student unless:
 - The student is under the influence, in which case the student shall be suspended for the rest of the day. Personal contact with a parent/guardian must be made before the student may be sent home.
 - The suspected misconduct is drug transfer or sale and the school has no space or staff to serve the student separately from other students
- Shall notify law enforcement if the evidence indicates the law has been violated.

SUSPENSION PROCEDURES

A suspension temporarily denies a student the right to attend school, or classes and school activities, for a period up to ten (10) consecutive school days except as provided below. **General procedures:** When a student's conduct may involve a suspension, the Principal, Assistant Principal, or their designee shall:

- Follow the initial procedures for discipline referrals:
- Ensure a thorough investigation.
- Consider if previous attempts have been made to intervene in the misconduct.
- Ensure that suspension is appropriate as a discipline option for the suspected misconduct.
- Conduct an **informal suspension meeting** with the student to inform the student of the suspected misconduct in language the student can understand and give the student the opportunity to explain his/her side of the story. The Head of School, Executive Director, Assistant Principal, or their designee shall decide on any appropriate disciplinary action and may consider in-school suspension as an option if facilities and staff are available.
- Make a good faith effort to notify the parent/guardian by phone and shall also notify the parent/guardian in writing in the student's home language, including the conditions for reinstatement and appeal procedures, if the student is suspended in-school or out-of-school.
- Provide **homework** upon request to students who are suspended out of school. To ensure continuation of learning, suspended students are expected to complete schoolwork during their time of suspension. Upon request the student shall be told of assignments during the period of suspension. Students shall be given make-up assignments, projects, or examinations only when those activities will be graded and used to determine a grade for the course. Teachers are not required to spend time working with a student to prepare assignments because of the student's misbehavior.

Level 1 Conferences	Level 4 Expulsion/Delayed Expulsion/Reassignment/ Referral
Level 2 Interventions	Level 5 Mandatory Expulsion
Level 3 Suspension/Temporary Exclusion/Reassignment /Referral	Level 6 Mandatory one-year Expulsion (weapons/firearms)

When suspension takes effect: A student's in-school or out-of-school suspension becomes effective after the informal suspension meeting and notification of the parent/guardian or at the end of the school day.

Returning to school: A meeting with the parent/guardian ordinarily must be held prior to a student returning to school after a period of suspension to seek resolution of the misconduct and review ways of improving student behavior. A parent/guardian may request a meeting with the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee to develop a plan of action for the student to prevent further incidents.

Emergency Suspension

When there is a health or safety emergency requiring immediate exclusion of a student from the learning environment, the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee shall notify the parent/guardian. The informal suspension meeting may be delayed for up to three (3) working days.

EXPULSION PROCEDURES

Definition and Consequences of Expulsion

Expulsion denies the student attendance at school or school activities for up to one calendar year.

- When a student is expelled, even at the end of a semester, the student may lose credit for the semester involved.
- Students expelled because of a Level C drug violation are recommended to participate in treatment during the expulsion period.
- Students expelled because of a weapon/firearm (mandatory one-year exclusion) violation are recommended to successfully complete an approved violence prevention program in order to return to school.
- The Head of School, Executive Director, Assistant Principal, or their designee, at the time of the conference to readmit the student after expulsion, will review the student's progress in treatment (if appropriate) and provide information from the student's teachers on possible partial credit for work completed prior to the expulsion and record credit earned at an alternative school attended during expulsion.

General Summary of Expulsion Procedure

In general, when a student is suspected of having violated school rules such that consideration of expulsion is appropriate, the Head of School, Executive Director, Director of Operations, and Assistant Principal will evaluate the facts via an internal expulsion review and make a final decision. There may, or may not be an expulsion hearing held, though the school reserves the right to suspend a student without an expulsion hearing at all times.

Reinstatement after Ten Days

After ten (10) consecutive days on suspension, the student will be readmitted unless:

- in the judgment of the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee, the student's return would pose a threat to the safety of any person or to the orderly operation of school programs;

Level 1 Conferences	Level 4 Expulsion/Delayed Expulsion/Reassignment/ Referral
Level 2 Interventions	Level 5 Mandatory Expulsion
Level 3 Suspension/Temporary Exclusion/Reassignment /Referral	Level 6 Mandatory one-year Expulsion (weapons/firearms)

- because of the physical or mental illness or incarceration of the student, or similar reasons.

Initiation of Expulsion Procedure

1. When the evidence from the informal suspension meeting and/or the investigation indicates possible grounds for expulsion, the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee should be informed. Expulsion procedures may be initiated only by the Head of School, Executive Director, Assistant Principal, or their designee.

2. The expulsion procedures are formally initiated by the Head of School, Director of Operations, Executive Director, Assistant Principal, or their designee sending the notice of expulsion letter.

3. Authority to Expel

Authority to expel is delegated to the Board Members

5. Witnesses and Questioning Witnesses

- a. **Students as Witnesses-** If information from a student witness is presented, the identity of that student is not revealed if in the judgment of the Board it would adversely impact the student's school experience. If the identity of a student witness is not disclosed, the Board shall carefully and thoroughly interview the witness, form a judgment as to the accuracy of the information, and ask any questions requested by the parent/guardian/representative of the student who is suspected of misconduct.

6. Access to Information and Records

a. Parents/Guardians and/or legal counsel may ask the Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee for information about the incident/behavior of concern, but within the limitations of Board policy on student records.

b. In making its final decision, the school may rely upon student records. Such records are available for inspection by the student and/or his/her representative prior to the hearing within the limitations of Board policy on student records.

Loss of Credit.

When it becomes necessary for a student to be expelled from school even at the end of a semester, loss of credit can occur if the student does not complete the appropriate work at an alternative school. During any subsequent readmission conference, a review of the student's academic status by the Head of School, Executive Director, Assistant Principal, or their designee may determine that some credit be granted for work completed prior to the expulsion.

Readmission

At the discretion of the Board, students who are expelled may be granted readmission upon the end of expulsion period and, if applicable, other expulsion requirements have been met.

1. Readmission from Expulsion: Lower Level Offense

At the discretion of the Board, students may be readmitted to school after the period of expulsion. At the time of re-admittance the returning student and parent/guardian shall meet with the board and agree on a plan to support the student and protect the school from

Level 2 Interventions	Level 5 Mandatory Expulsion

the behavior that resulted in the expulsion and promote student success. When students are readmitted to school, all reasonable efforts will be made to help the students plan to complete their educational program.

2. Readmission from Level 6 Expulsion

At the discretion of the Board, expelled students may be readmitted to school at the end of one calendar year period of expulsion and successful completion of an approved violence prevention education program. The program will provide the school with information regarding the student's progress.

The student and parent/guardian meet with a Head of School, Executive Director, Director of Operations, Assistant Principal, or their designee to plan what efforts will be made by each party to help the student complete the education program and to determine appropriate placement upon readmission.

3 Readmission from Level A Non-Compliant and Level B Expulsion

At the discretion of the Board, expelled students may be readmitted to school if the following has been completed:

- An alcohol and drug assessment (not at school expense).

4. Readmission from Level C Expulsion

At the discretion of the Board, expelled students may be readmitted school if the following

has been completed:

- Satisfactory completion of an approved therapy program which includes urinalysis (not at school expense).
- The program has provided the school with information regarding the student's progress and urinalysis results.
- In all cases, the returning student and parent/guardian shall meet with an administrator and agree on a plan to protect the student and the school from further drug-related activity.

Appeal Procedures

Students and/or their parent/guardian may request an appeal for any suspension, expulsion or delayed expulsion decision. Expulsion decisions are usually final, so no guarantee may be made that an expulsion will be overturned following an appeal.

Appeals must be submitted in writing to the Assistant Principal. Paper appeals can be dropped off at the front office, or sent via email to the Assistant Principal.

Following receipt of an appeal request, an appeal investigation is carried out and all personnel that have had interaction with the student are requested to complete an Appeal Request and they are also requested to state whether they believe the student should be reinstated. After vote tally, and after reviewing the appeal in its entirety, the School Board will meet to determine the appeal outcome. The Head of School, Executive Director, Director of Operations, and Assistant Principal do not vote in the Appeal Process; however the President of the board reserves the right to cast a vote.

Level 1 Conferences	Level 4 Expulsion/Delayed Expulsion/Reassignment/ Referral
Level 2 Interventions	Level 5 Mandatory Expulsion
