MISSION STATEMENT:

Empowering students to be life-long learners that are compassionate, resilient, and educated.

Vision, Mission, and Goals

VISION

Sunrise Academy believes that all students are unique and should be treated as such. It is our vision to **Educate, Enliven, and Empower** every student. With the focus on motivating each student within an environment of respect and equal opportunity, an environment that will also challenge their individual growth while developing their leadership skills, every student can learn, grow, and accomplish academic, social, and professional goals.

Sunrise Academy strives to offer every student every opportunity for success, through:

- An innovative, relevant curriculum that reflects the background of all our students and is taught with enthusiasm, which develops students' skills of critical thinking and communication
- A safe, diverse, compassion-based environment, which aids students in working with people from different walks of life

MISSION

It is the mission of Sunrise Academy to provide the upmost highest level of education through diversified methods and non-religious education. We seek to provide a compassion-based education focused on encouraging and supporting students so that they can reach their fullest potential, academically, emotionally, socially, and athletically.

GOALS

We seek to ensure adequate student academic gains, steady enrollment, while providing a safe, respectful, and structured school environment for children from all walks of life.

Introduction

Sunrise Academy is an independent school. We are not a part of the local school district, which gives us more flexibility in how we can meet the needs of our learners. For example, we teach cursive handwriting, and typing, whereas many district schools do not. Our small class styles allow us to better cater to the unique needs of our learners so that they can flourish, instead of being left behind.

We are accredited by Cognia, an agency that encompasses the unified policies and procedures of the Southern Association of Colleges and Schools and Schools Council on

Accreditation and School Improvement (SACS CASI). We are also accredited by the National Independent Private School Association (NIPSA), and Peace Mala. Our preschool is a Gold Seal Quality Program licensed by the Florida Department of Children and Families.

We are not affiliated with any church, or religion but that does not mean we do not celebrate the diversity of our student population. We welcome all students, from all backgrounds because we believe that all lives have equal values.

Compassion is core to everything we do, and that is why we are the first Peace Mala Accredited School in the United States. We teach students character, and leadership skills. Our aim is not just to graduate students, it is to prepare them for life in the real world. We want our students to be good communicators, and critical thinkers. We want to nurture each student's talent and passion and ensure that our students act for the common good.

We believe in empowering students to be life-long learners that are compassionate, resilient, and educated.

We are confident that your child will have a good, meaningful education here at Sunrise Academy—an education that will enable your son or daughter to positively impact and shape the wider world.

Thank you for choosing Sunrise Academy

Drop-off & Pick-up Procedure

Above: If arriving by car, enter the school pick-up/drop-off line via Enterprise Road and drive towards the Bowling Alley parking lot.

Drop off: Drop-off students at the main door (not the preschool), ensure arriving students exit the car on the side closest to the school, or park in a parking space and escort students into the main entrance door. **Never leave your car in the carpool lane.**

Pick-up: If picking up by car, enter the carpool lane at 5 mph or less. Wait until the student and assisting adult has stepped five feet away from your car before pulling away. Be courteous with other drivers and watch for other people, especially children. Cars must join the carpool line and wait for the cars preceding them to pick-up/drop-off students before exiting the parking lot. Watch and follow the school attendant's direction at all times.

Carpool Student Signs: Please place the assigned student sign in your car on the right side of the dashboard so that you can be identified quickly. There is a \$3 fee for a student sign duplicate/replacement.

Inquiries, applications, concerns and payments for Before & After Care should be directed to the Preschool Office.

Early Pick-Up During School Day

No student may be checked out early from school during the school day, except where a documented appointment is necessary. No student may be checked out early for any reason for the last thirty minutes of each school day.

In the interest of minimizing disruption, ensuring students receive a quality education, and to comply with state requirements, the school will not release students to any person that does not comply with these requirements.

Visitor Sign-In & Sign-Out

All visitors are required to present their photo ID to the reception upon entering the school front office. The receptionist will scan your photo ID into the Raptor Kiosk and issue you with a visitor pass before you can leave the reception area. Visitors remaining in the reception area are still required to sign in and visitors should sign out upon leaving the school.

Open Door Policy

All Parents are welcomed into the reception area during school hours. Parents wishing to visit the Head of School, Executive Director, Assistant Principal, or any teacher, will have to take prior appointment from the Administrative Assistant. The Administrative Assistant will assist you when you are in the school.

Visiting classrooms while classes are going on are not allowed to avoid class disruption. Only on the first day of school is an exception made to allow parents to escort their child to class.

Release of Students from School

Sunrise Academy will only release students to those listed on the Authorized Pickup List. Authorized Pickup persons must be at least 16 years old. Changes to the Authorized Pickup form must be done in writing via signed letter, or from the parent's registered email address. Changes to this Authorized Pickup list will not be accepted over the phone. Pickup persons must carry a photo ID. The school reserves the right to hold students if the school is not satisfied that the child's safety can be guaranteed, or we cannot verify the identity of the person picking up the child.

Student Driving Privileges

Students who are of legal driving age with a driver's license may drive to and from school only if their parent or guardian has completed a Student Driver Permission Form. Student parking is located along the second row of the parking lot. Driving privileges may be revoked because of noncompliance with any Sunrise Academy policy. Students may drive other students only if a Student Transportation Permission Form is completed by the parent or guardian of the student being driven by another student. Students must sign out in the front office before leaving campus.

School Attendance Requirements

Florida Law (Section 1003.21, Florida Statutes) states that all children who are either six years of age, who will be six years old by February 1 of any school year, or who are older than six years of age but who have not attained the age of 16 years, must attend school regularly during the entire school term. A student who attains the age of 16 years during the school year is not subject to compulsory attendance beyond the date of which the student attains that age if he/she files a formal declaration of intent to terminate school enrollment with the school district.

Regular attendance provides students the opportunity to acquire specific skills, and meet course goals and objectives that may not otherwise be possible if not in attendance. Many integral learning activities, including class discussions, laboratory experiments, field trips, direct instruction, and guest speakers cannot be simulated or replicated with bookwork. Therefore, Sunrise Academy has adopted attendance policies for elementary, middle and high schools to encourage honest, accurate, and consistent adherence by all students, parents, teachers, and administrators.

When a student is continually sick and repeatedly absent from school, the student must be under the supervision of a doctor in order to receive an excuse. The doctor's statement should confirm that the student's condition requires absence for more than the number of days permitted by the district school board policy.

Students participating in Florida School Choice scholarship programs must in addition adhere to their scholarship attendance policy. The scholarship program requires at least 170 days of attendance for any student of compulsory age participating in their program. Students who are scholarship participants are required by Sunrise Academy to maintain a 90% attendance rate. Students that fall below this 90% attendance requirement may be denied re-enrollment the following year.

Intermittent attendance is cause for expulsion. Student with intermittent attendance may be unenrolled from our program at any time and without prior notice. It is our policy that a student who accumulates 15 or more unexcused absences within 90 days with or without the knowledge or consent of the student's parent shall be considered for expulsion.

You must report all absences via the school's website "Report Student Absence"

Excused absences for more than 4 days will require documented proof, such as a doctor's note.

The school is duty bound by law to report habitual truancy, and suspicions of neglect and abuse to state authorities.

Tuition & Fees

Tuition & Fees can be found on our website, at www.sunriseacademy.education, under the “Admissions” tab.

Paying for School

You can pay for your child’s school yourself, or you may be eligible to receive partial or full scholarship funding, depending on your circumstances. The school will invoice tuition and fees for payment.

We offer several payment options, and there are external scholarships available. For those who fall within 0-199% of the Federal Poverty Guidelines, we offer a Financial Hardship Discount.

All accounts must be current for your child to continue enrollment at the school.

Billing Responsibility

The first listed parent or guardian on a student’s application for enrollment is considered the primary payer (“responsible party”) responsible for paying for the child’s tuition and fees at the school. The responsible party will be required to agree and sign a billing contract before the child is admitted into the school as a part of the application process. Both parents, guardians, or other persons responsible for payments should read all the provisions of this contract, complete the required information, and sign the contract as a part of the admission and renewal application. No amendment to the contract and no alteration or addition to the printed terms hereof will be effective without the express prior written approval of the School’s Board of Directors.

In addition to Florida’s attendance law, any Responsible Party who receives financial aid to pay for the cost of their student’s enrollment at this school is expected to ensure that the student(s) attend school at all times, as scholarship payments are contingent upon full attendance. Beyond 5 absences (excused or unexcused) per year, the School reserves the right to bill the Responsible Party \$50.00 for each day of absence as excessive absences violates scholarship conditions. This section shall not apply to a Responsible Party if the Responsible Party does not receive any form of financial aid, such as outside scholarships, or the Sunrise Academy Scholarship; and will not apply to any student who has a serious documented illness and/or hospitalization.

The responsible party understands that the student is being enrolled for the entire School Year. The responsible party further understands that the overhead expenses of the School do not diminish with the departure of some students during the course of the school year and agrees that the responsible party becomes liable for the entire year’s

tuition and fees as liquidated damages (and not a penalty) even if the Student is withdrawn, absent, or is involuntarily separated from School UNLESS the School agrees otherwise. If Student is withdrawn, absent, or involuntarily separated, for any reason, including without limitation, change of residence, health, withdrawal, or expulsion, there will be no refund or reduction of fees or tuition, and any unpaid balance may, at the School's election, become immediately due and payable.

The Responsible Party understands and agrees that a Late Charge of \$25.00 will be added for any delinquent payment (which is defined as a payment not received by the due date). In the event of default (default being 30 days past due), Responsible Party also agrees to pay all costs of collection, including collection agency fees, attorneys' fees, court costs. Further, as to any account more than 90 days in arrears, the School reserves the right to accelerate the total unpaid balance of tuition and fees due under this Enrollment Contract. When accounts are in arrears, the account may be referred to the School's collection agent and/or counsel for satisfaction.

Should the Responsible Party have trouble in keeping the student's account current, please contact the School immediately. Sunrise Academy strives to work with families to find an arrangement that will enable families to maintain their accounts in good standing. It is the Responsible Party's responsibility, however, to take proactive steps in contacting and updating the School as to financial status.

Refunds

There are no refunds for any fees designated as non-refundable such as enrollment, registration, graduation, uniforms, field trips etc., unless otherwise authorized at the school's sole discretion. Refunds/credits for field trips can be given if the school cancels the field trip or parent provides medical documentation prior to trip if the trip is within the refund/credit eligibility window. If student does not show up to the field trip, no refund/credit can be given.

Lunch Program

Students may bring a packed lunch or be provided a lunch from our cafeteria on a free, reduced, or full pay basis. Fee determination will be made during the admission process. Lunch fee will be applied to tuition statements as a flat rate full year fee at the beginning of the school year for any student that does not bring a packed lunch.

We have an onsite cafeteria that prepares meals each day. If your child brings a lunch, please make sure that the lunch boxes and bags are clearly marked with the child's name. Sunrise Academy also encourages lunches be packed in reusable containers.

If during the admissions process, you choose for your child to bring a packed lunch and the school determines a frequent pattern of your child not bringing lunch, the flat fee for lunch for the remainder of the school year will be applied to tuition statement. **Outside food vendor delivery to students is not allowed. Examples include UberEats, Door Dash, Postmates, Grubhub, restaurant delivery, etc.**

Re-Enrollment & Renewals

Parents are required to re-enroll their child at the school each new school year using our online application system. The Priority Re-Enrollment Period for the new school year is January 15th-April 1st. After April 1st, current students no longer have priority on the roster for the new school year which means a new student enrolling may reserve the spot of a current student that has not re-enrolled by April 1st. All current students that plan to re-enroll may submit an application up until June 1st. After June 1st, the re-enrollment application will close for the new school year. Students that are not enrolled by the deadline will lose their place in the school for the following school year. **Re-enrollment fees are non-refundable.**

Withdrawals

An Official Withdrawal Request Form must be completed before any student can be withdrawn. Please allow 72 hours from your withdrawal request date for the withdrawal to be processed and for records to be ready for parent pick-up and/or be sent to the school listed on this form. This process may take longer in the event the parent/student account has an outstanding balance, an unendorsed scholarship check, or the student has checked out school equipment and/or books. Only the parent/legal guardian on file who enrolled the student(s) may submit an Official Withdrawal Request Form.

Vacations & Leaves of Absences

A request for a vacation or leaves of absence must be submitted in writing to the school office. The request must include the reason for the leave and must be signed and dated. A student must receive approval from the school administration. An exception to this policy may be granted by the Head of School, Executive Director, or Assistant Principal on a case-by-case basis. This exception to the policy will only be considered if there is a reasonable expectation that the student will return from the leave of absence. A leave of absence will only be granted if the student is within 15 consecutive absences from their last date of attendance, otherwise they will be terminated from the school.

A student on an approved Leave of Absence is still considered by the school as enrolled and in good standing. A student may be granted multiple leave of absences at the discretion of the Head of School.

Any student who fails to return from an approved leave of absences will be terminated and the refund policy will apply. Students will be charged a \$100.00 reinstatement fee if they wish to re-enroll. In addition, the school will use the last date of attendance as the withdrawal date to calculate any refunds. Student not returning from a leave of absence must submit a written request to withdraw.

Students who receive scholarships to attend school may lose some, or all of their scholarship. In cases where the school is liable for tuition as a result of prolonged student absence, the school reserves the right to charge the parent/guardian the amount owed as a result of partial or full loss of scholarship.

Student Illness

Sick children are not permitted in school. Do not send a child to school if any of the following symptoms are present: fever of 100°F or higher, regardless of cause, rash, diarrhea, persistent cough, opaque (green) mucous, vomiting, sore throat, pink eye, impetigo, pinworms, chickenpox, or lice.

If your child becomes ill during the course of the day, we will move him/her to a quiet area away from other children, and you will be notified to take your child home immediately. If we are unable to reach you, the alternate contacts you provided on the emergency card will be called. It is important that the individuals you list as alternate contacts live within thirty minutes of the school.

Students and families that are exhibiting signs of SARS-CoV-2, also referred to as Coronavirus disease 19 (COVID-19) should seek medical attention and refer to the COVID-19 Decision Chart for guidance.

Illnesses that you should keep your child home for...

COVID-19	May return after 10 days with a negative test result.

Administering Medicine

Sunrise Academy does not employ any medical staff, therefore all necessary prescription medication must be taken at home prior to coming to school unless otherwise instructed by a doctor.

In the event that medication administration is necessary during the school day, parents must provide the school with a signed medication authorization form from the child's doctor. The medication must be provided in the original packaging with the student's name, doctor's name, type of medication, and administration instructions. The school is unable to accommodate a parent's request to administer over-the-counter medication without a medication authorization form. Office staff are the only persons permitted to administer medication to a student.

All prescriptions being brought into the school for the student must be in the possession of an adult (18 years or older) and bottles must be labeled appropriately with only enough medication for that current school day. Excess medication will not be permitted.

Sunrise Academy Teachers and non-office personnel will not be permitted to administer any medication whether prescription or non-prescription to any student. Students needing to take medication during school hours must be instructed by both their doctor and parent on how to take this medication and at what times. Medication bottles are not allowed to be kept on school grounds after school hours. For severe allergies, only EPI Pens and inhalers will be permitted to be in the possession of the students' teacher and/or other staff members.

Injuries

When a minor accident or injury occurs, first aid (band-aid, ice pack, etc.) will be given to the student by a staff person. If necessary, for more serious injury, 911 will be contacted and the student will be transported to a nearby hospital emergency room. Parents/guardians of the student will be contacted immediately. Cost of all medical care is the responsibility of the parent/guardian. Injury Reports are filled out for more serious injuries. A copy of the report is kept on file in the school office. If an event occurs where a parent or emergency contact cannot be reached, Sunrise Academy reserves the right to arrange for the necessary medical care that needs to be provided.

By enrolling your child at Sunrise Academy parents/guardians agree to hold the school harmless for all damages, claims, and amounts paid or due in connection with emergency medical care.

School Uniform & Appearance

Sunrise Academy has an official school uniform shirt, bottoms, & sweater that should be ordered exclusively from our uniform vendor at: www.ibiley.com

Responsibility for the dress and appearance of students enrolled in Sunrise Academy primarily rests with parents and the students themselves. Some student apparel may not be appropriate to wear to school even though that same apparel may be appropriate to wear in other settings. To assist parents and students we have adopted a uniform policy.

Students are required to wear their school uniform for any and all school activities, functions, and events including field trips and graduation.

1. No student will be allowed on campus without proper uniform and will be denied attendance to their scheduled classes.
2. Students are not allowed to wear any article of cloth or clothing over or under their uniforms including blankets while in school or participation in school functions.
3. Students are not allowed to wear hats, bandanas, durags, skull caps, etc. on head.
4. Improper display of school uniform is not tolerated and is grounds for suspension.

The use of the uniform is not only a symbol of discipline and respect, but a safety measure.

Testing

Section 1002.395(8)(c)2., Florida Statutes, requires that Sunrise Academy as participants in the School Choice Scholarship Program to demonstrate academic accountability to the parent by annually administering or making provisions for students participating in the scholarship program to take one of the nationally norm-referenced tests identified by the Department of Education or the statewide assessments pursuant to Section 1008.22, Florida Statutes.

Section 1002.395(7)(e), Florida Statutes, states that the parent shall ensure that the student participating in the scholarship program takes the required assessment offered by Sunrise Academy.

Sunrise Academy utilizes MAP Measures of Academic Growth to assess students. MAP Growth measures what students know and informs what they're ready to learn next. By dynamically adjusting to each student's responses, MAP Growth creates a personalized assessment experience that accurately measures performance. Timely, easy-to-use reports help teachers teach, students learn, and administrators lead. More and more schools are now choosing MAP because of the valuable data it provides schools.

Psychological Services

There is no School Psychologist on staff at Sunrise Academy, and the school does not create, or transfer IEPs, however certain accommodations can be made via the school's Student Academic Plan (SAP).

Bullying and harassment are behavior unbecoming of a leader and will not be tolerated. Conduct that constitutes bullying and harassment, as defined herein, is prohibited. To assist in promoting a bully free zone, we have teamed up with the non-profit, Peace Mala (www.peacemala.org) to encourage active compassion and tolerance in our school.

Bullying means systematically and chronically inflicting physical hurt or psychological distress on one or more students, including: unwanted and repeated written, verbal, or physical behavior, this includes any threatening, insulting, or dehumanizing gesture; that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interferes with the individual's school performance or participation.

Harassment means any threatening, insulting or dehumanizing gesture, use of data or computer software, written, verbal or physical conduct directed against a student.

Bullying has a negative effect on the social environment of schools, it creates a climate of fear among students, inhibits their ability to learn, and leads to other antisocial behavior. Bullying behavior has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, skipping and dropping out of school, fighting, and the use of drugs and alcohol.

Our students are taught to recognize, prevent, and effectively intervene in bullying behavior and send the message that bullying behavior is not tolerated. As a result, we have improved safety and created a more inclusive learning environment.

Students of Sunrise Academy are prohibited from:

1. Retaliation for asserting or alleging an act of bullying.

While embraces from greetings and farewells are accepted, SA does not condone extended public displays of affection.

In Loco Parentis

State & Federal Law

State and federal law recognizes that teachers and school administrators have a need to stand in the place of parents over children entrusted to them at school. This is a legal concept called in loco parentis. While this authority is not equal to a parent's authority over a child, it does permit school personnel to exercise a degree of supervision and control over students while students are on school grounds, Sunrise Academy transportation, or attending a school activity.

Section 1003.31(1) Florida Statutes

[Section 1003.31\(1\), Florida Statutes](#), also recognizes that students are under the control and direction of the principal or teacher in charge of the school. This authorizes school personnel to search without a warrant based on reasonable suspicion and are not held to the higher standard of "probable cause" by which law enforcement is bound. This concept authorizes school personnel to question a student without providing the student with Miranda warnings or allowing the student to call a parent or attorney.

Termination of Enrollment by the School

At its sole discretion, the school reserves the right to terminate any student who fails to maintain satisfactory progress, fails to adhere to the attendance policy stated in this handbook, fails to make payments as agreed, destroys or damages any property of the school (the student may be held liable for repair and/or replacement of the damaged property), is caught cheating, fails to comply with conduct policy, violations of any of the conditions set forth and agreed in the enrollment agreement or any addendum. ***A student may also be terminated by the school if the parent(s) becomes belligerent, threatens violence, or displays any unwelcoming behavior that hinders the safety and well-being of students, faculty, and staff.***

Re-admittance into the academy must be authorized by the Administration.

Student Conduct

Sunrise Academy believes a positive school environment promotes equal educational opportunity and establishes the framework for a safe learning environment. The code of student conduct is comprised of a set of policies, rules, and laws by which order is established and maintained for the benefit of all. Discipline within a school must have the qualities of objectivity, consistency and equity. It is the responsibility of all school personnel, students, parents, external stakeholders and the greater community to ensure the school environment encourages a climate conducive to learning.

Students are expected to conduct themselves in an acceptable manner. Conduct that is detrimental to the individual, faculty or the community will be cause for suspension, conduct probation and/or expulsion. Violations of school policies include, but are not limited to:

- Slanderous, negative, insubordinate, violent, inappropriate language or inappropriate remarks towards the school personnel, or fellow students will not be tolerated.

Students found to be in violation of the conduct policy are subject to being placed on conduct probation for a period of 30 days or more. If a student, while on probation, violates any portion of the conduct policy, the student will be expelled.

The academy has an emergency disciplinary procedure in place, in the event that a student has committed an act that is detrimental to the health and safety of other students and/or staff of the academy. This procedure allows any employee of the academy to contact local authorities for assistance as needed. Any student terminated/expelled for detrimental conduct not be allowed to reenter the school.

Lost Property

The school does not assume responsibility for the loss of books or other personal property. However, all faculty and students are instructed to give the receptionist all articles found so that the owner may claim them. Lost Property will be retained by the Office for one month, after which it will be donated, or discarded.

Physical Education (P.E.)

Our Physical Education (P.E.) and Health curriculum aims to emphasize physical fitness and encourage healthy, active lifestyles. The physical education program consists of activities of at least moderate intensity and for a duration sufficient to provide a significant health benefit to students, subject to the differing capabilities of students.

Physical education is an important component of the educational school day. Current brain research supports the importance of physical activity during school to promote learning. Schools play a vital role in the wellness of their students by providing opportunities for learning about and practicing healthy behaviors. Good student health fosters student attendance, improves school climate, enhances student performance, and decreases childhood obesity.

Florida State Requirements for Physical Education:

Elementary: Section 1003.455, F.S., requires 150 minutes of physical education each week for students in grades K-5. A minimum of 30 consecutive minutes is required on any day that physical education instruction is provided.

High: Section 1003.4282, F.S., includes a one credit physical education requirement with the integration of health.

Students with Disabilities:

Exempt Students:

Exempt students are students who do not participate in physical education. An exempt student's transcript/report card will not show a grade for P.E.
